

LCC Chairman's Report.

The Community Council has had a quiet year carrying out the usual mowing and trimming grass of verges with the help of volunteers. Last summer, the LCC again sponsored the Bus Stop Bar on the grassed area behind the bus stop on Old Bury Road. Local residents came and had a free drink or two and meet up with neighbours old and new. It was a successful event apart from a few revellers not respecting local residents after midnight. We will hold another event this year but slightly earlier in July to avoid other festivals and events.

The fireworks party in November of last year was a great success with a fantastic fireworks display and a nice fire. There was a good turnout of families and many provided fireworks and lovely home cooked food. Sadly I will no longer be running the event but I will gladly give any help and advice to anyone wishing to take on the organisation.

This year we are trying to add further events to the calendar and have already held a successful Easter egg hunt at the church. We broke even on the day, just, but it was good to see the young people having a great time.

Finally I would like to say a big thank you to the committee and those people who supported the LCC and the village this year.
